### **Descriptions of CAM Specialist Training Program**

#### **Introductory Course to “I Serve Those Who Served” Training**

This three-hour course gives an overview of the training involved to become certified in working with veterans and their families. It helps to make a decision if this is a specialty to pursue and become part of a network of individuals committed to work with this population. The military and their families are greatly affected often by their experience in service. This training is one attempt to provide energetic support to this population.

#### **Part 1 Goal: Foundational Energy Based Training**

During this course the student will build on his / her professional training in the health care field or another field, apply energy based therapies from previous training such as Transform Your Life through Energy Medicine, Healing Touch, Reiki, Subtle Communication Systems, Therapeutic Touch, Energy Medicine, Touch for Health, Energy Psychology, Yogi, Tai Chi or Qi Gong, Sound Healing, Life Coaching, Naturopathy, and other eligible completed energy training. Includes also energetic self-care to then apply to clients, Explore the ethical dimensions in providing energy based care. Define your spiritual growth and healing needs. Complete supervised mentorship. Professionally demonstrate your growth. The student can take a primary unit in Healing Touch, Energy Medicine or Touch For Health at the same time as part of the specialist training.

#### **Part 2 CAM Specialist Training**

This includes an introduction to Dr. Mary Jo Bulbrook's specialty, *Soul Healing* - an exciting in-depth opportunity to explore blocks to your personal journey in life as well as opening the door to increase your healing abilities and Soul Light. This theory and practice uses the students / clients own spiritual framework to produce changes in the energy system. Builds an understanding of the energetic elements in spiritual development.

#### **Part 3 Certification**

The program usually taken 6 months to a year to complete to integrate the training and apply the necessary documentation of expertise. Some of the training can be done on line as well as in person with peers. The person will be awarded the title Board Certified Integrative Healing (BCIH) CAM Specialist Serving Veterans & Families.
