Questia Media Library is the world's largest online collection of complete books, journals and articles, searchable by word, phrase, title, author, or subject. Questia includes scholarly, high-quality books and journal articles from over 300 acclaimed publishers. The Library permits unlimited use of the books and articles in the collection no matter how many others are reading the same materials. No book is ever checked out or unavailable! The Library provides online tools to write notes in the margins and highlight passages as if you were working with actual physical books. They have provided easy-to-use tools to create footnotes and bibliographies, so you should never struggle with another bibliography! You can hyperlink footnotes and bibliographies across titles for instant access to other related titles. Questia provides its members with state-of-the-art customer service and it is available 24 hours a day, 7 days a week. The library is never closed!
