REGISTRATION FORM INSTRUCTIONS

Please read the agreement and instructions carefully before beginning to complete the form. Registration is the process that brings you into formal association with the University as an active student. **You may register once you have received the official letter of acceptance from the Office of Admission. To register, submit the completed registration agreement with your tuition payment, and signed tuition agreement.**

Student Information. Enter your Personal Information on page one of the forms. Please be sure to enter your family name first as indicated in the space provided. Indicate the title to be used in communications (Dr., Ms., Mrs., Mr.). Enter your complete and current contact information. Also, enter your Program Information. Copy your degree or diploma program, degree or diploma level, academic major or diploma concentration, and the name of your assigned Primary Faculty Advisor, exactly as this information is presented in your letter of acceptance.

Registration Fee. In the Registration Fee section, enter the amount of tuition, as stated in your letter of acceptance. Note: The registration fee is a down payment toward your total tuition and fees, and all students at your degree and diploma level pay the same amount, except as adjusted for transfer amount of acceptable credit, scholarships, or special payment arrangements. Select the method by which you will pay your registration fee. Check your selection and enter the information requested. You may pay by check, credit card, or you may decide to pay by wire transfer, or another method. This can be done online.

Signing the Agreement. Read carefully, then sign, and date the Registration Agreement on page two of the form. You may submit the signed form by scanned email attachment.

Important Notice. Immediately following your, registration you should undertake an orientation to the University including considerable discussion and planning activities with your Primary Faculty Advisor before proceeding with any actual course enrollment or assignments. Keep a complete copy of your registration materials for your records. Should you have any questions related to the registration process, please contact the University administration, via the following contact information.
